TORONTO, ON – December 2022 – TORLYS, a global flooring company specializing in beautiful, responsible flooring solutions and Sun-Brite, a leader in window décor and design solutions since 1973, are proud to announce that two of its senior members received the prestigious BILD "Member of the Year" award.

With roughly 600 people in attendance at the recent BILD Chairs Dinner, TORLYS VP of Sales for Builder & Hospitality Cam Bowen, alongside Sun-Brite President Benny Caringi were called to the stage to receive the special recognition. The two were praised for going above and beyond as longstanding BILD Members, along with exceptional volunteerism for their efforts hosting events for Hats On for Awareness, a charity with a mission to raise funds to further the reach of mental health programs.

"It is such an honor to receive such a special award from our peers whom we have so much respect for in the best industry second to none!", said Caringi, adding, "We will continue to be a part of BILD as we have built so many amazing friendships and relationships, and we look forward to many more memories and events bringing people together and making every day count!"

The Building Industry and Land Development Association (BILD) is the voice of the home building, residential and non-residential land development, and professional renovation industries in the Greater Toronto Area.
